Editorial

This time we want to make a tribute to the men and women from different countries, who have shared Triarius their intellectual productions community of free and disinterested way, seeking to help professionally strengthen those working in the security sector, defense, intelligence and counterterrorism. A sincere word reflects our feelings: THANK YOU!

Here are a directory with articles present in each of the Triarius editions published so far, and step followed a directory of several analysts who have published with us.

We hope that this community continues to grow every day, with most analysts, more subscribers, in more countries, and our magazine get even more recognition.

We want a safer, more stable and peaceful world, this is our contribution.

Cognize to beat!

Douglas Hernandez

Editor
